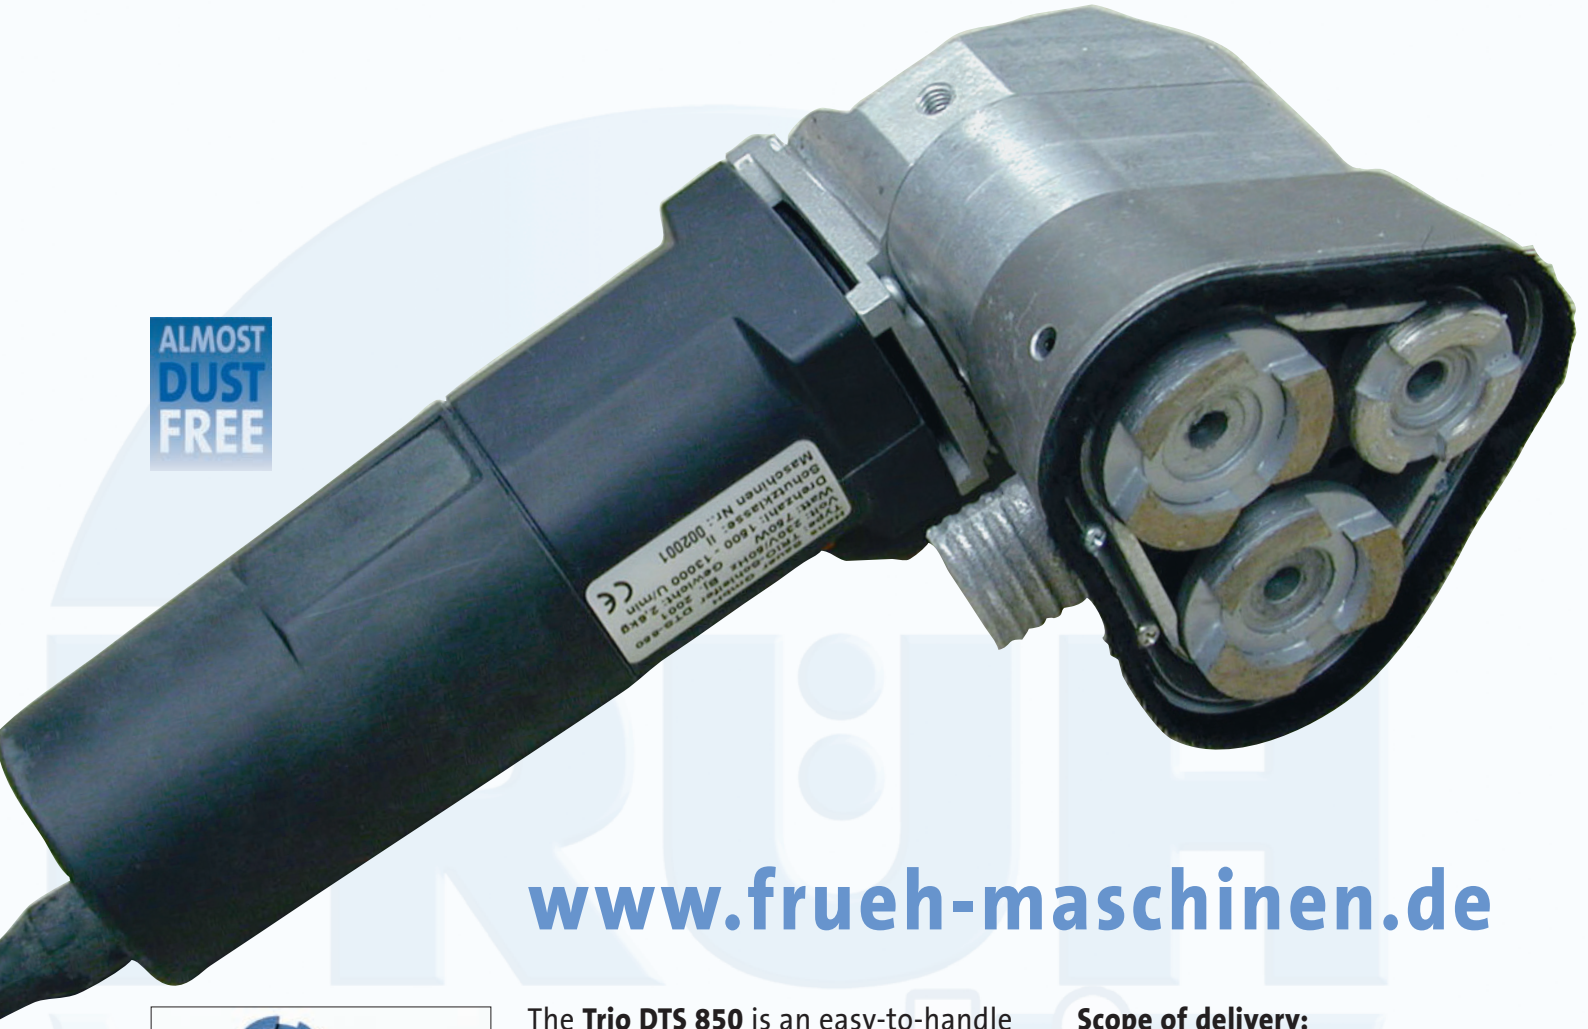
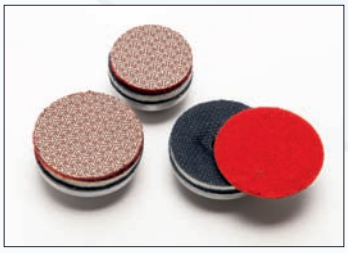
Trio hand-held grinder DTS 850

for edge and corner work



www.frueh-maschinen.de

Diamond grinding plate set, blue, for abrasive materials (screed)



Velcro-backed base plate set with flexible, galvanic diamond grinding discs.

The **Trio DTS 850** is an easy-to-handle detail grinder with 3 grinding plates – perfect for grinding corners and tight spaces. It is a light-weight machine suitable for overhead work and of course equipped with a dust extraction outlet Ø 27mm for dustfree operation.

Available tools:

- standard: carbide grit, coarse or fine
- diamond grinding discs for abrasive materials (screed) or concrete
- flexible Velcro-backed diamond grinding discs

Scope of delivery:
Machine complete with removable grip, 1 set of grinding plates – carbide grit, assembly tools, all delivered in a carrying case.
